MESSAGE

*I am very glad to learn that the State Electrical Engineers' Association is going to publish their 35th Annual Journal on the eve of their 40th Annual General Meeting, which is scheduled to be held on the 30th May, 2009. The journal would be enriched with technical papers under the title : **"Sports Lighting Systems: Approach, Design & Execution"** published by eminent technocrats.*

I wish the publication of the journal a grand success.
